ABOUT US

Van Caem Klerks Group is a global leader in international trade and distribution. With over 50 years of experience, we specialize in sourcing and distributing A-branded Liquor, Fragrance & Cosmetics, Professional Haircare, Food and Home & Personal Care products (FMCG).

Internationally recognize

We combine decades of industry knowledge with a customer-focused approach to ensure smooth and efficient operations.

Commitment to quality

With strategically located warehouses and a strong logistics network, we navigate complex international markets to deliver goods on time.

Competitive pricing

Our focus on long-term partnerships allows us to tailor solutions to meet the unique needs of our clients.

Efficient logistics

We are constantly working to improve our services (sticking, repalletization, etc.)

Thanks to our privileged direct access with brands, we are able to supply FMCG products on a permanent basis (**Forecast**) as well as offer **one-off opportunities (one-shot deals/stock clearance)**.

WHY US

We prioritize building strong relationships, ensuring your business can rely on our expertise, logistical capabilities, and dedication to excellence.

Customer Oriented

Efficient logistics We are constantly working to improve our services (sticking, repalletization, etc.)
